

A Child's Eyes

Refrain

I'm a child once more

The one I once knew

Small person, big world

Living dreams that come true

Meditation of thought
Simplicity of being
No worries, no choices
Just sensing, just feeling.

Refrain

The soul of adventure
Mind, body and spirit
A coming together
In a world without limit

Refrain

Untainted by learning
My eyes really see
And freed from distraction
I am me, yes I'm me.

Refrain

Unfettered – no burdens
In a world of surprises
Stripped of all goals
You'll find meaning - no prizes

Refrain

So live like a child
Delight in surprise
Open your heart
See the world with new eyes
